## Love Link Team Doubles

We are pleased to announce that Andrea Mosshart and Keith Hensyel have been brought on as staff at Love Link! Andrea officially began her role as Thrift Store Manager in February. Outside of her position at Love Link, she serves as the Missions Coordinator at Midtown Nazarene and enjoys time with her husband Evan & son Max. She is also working towards a Master's of Divinity Degree at Nazarene Theological Seminary.

Keith, a former board member & dedicated volunteer, became our Building Manager in April. Keith, a native of Nevada, is a hands on guy who enjoys the practical side of ministry. He met his wife, Cindy, on a mission trip in Mexico and they have been married for 23 years. He likes to live by the mantra "love the unlovely."

## Imagine!

Imagine the possibilities if we all did what we were asked by God to do! All needs would be met. Hunger would be eliminated. Christ would be lifted up. People would be drawn to Him and lives would be changed for eternity. **Imagine!** This was the theme of the 2016 Share the Vision Banquet. We raised \$30,422.00 in cash and pledges! It was a great night filled with food, fun and fellowship. Rev. Joel Mullen challenged us to finish strong together. Love Link is at an amazing place in it's journey. We are poised to take off and do more for the under-employed, and under-served in our community than ever before. We cannot do this with just our staff. We count on all of you to help us in the race. We cannot finish strong without the prayers of God's people and their obedience to His leading. Please join us in finishing strong! We need prayers. We need volunteers. We need thrift store donations. We need financial support. Pray about what YOUR part should be; join us in the journey; and **Imagine** the possibilities that lie ahead of us.

**A Minute with Marilyn**

God is bigger! If you know me very well, you know I say this a lot. I say it not only to encourage someone but also to remind myself that God is bigger than anything I encounter. He is bigger than problems. Bigger than diseases. Bigger than finances. Bigger than blessings. He is bigger than anything. We say it, but do we live it? If we know that God is bigger then why do we worry? Why do we get upset or anxious? Why do we not walk in the belief that He can handle anything that comes our way? The other thing we need to be constantly reminded of is that as a follower of Christ we are part of His family. He loves us. He's forgiven us. He redeems us. He is concerned for our eternity. Life here is temporary. We must look at things through eternal eyes. In eternity, most of what concerns us now will be of absolutely no consequence. We will truly know that He is not only enough—He is more than enough and He truly is bigger. Seek Him first and let the rest take its place at the back of the line. If we could see as He sees what would we do differently? My prayer for many years has been to give me eyes to see and ears to hear what You see and what You hear, when that happens I am able to look way beyond the surface, the 'now', deep into the heart and view things from an eternal view. Then, I know **GOD IS BIGGER!** Live like it, today!
